The Elden Ring Action RPG is the latest work from Big Hero 6 company, Kinetica, and will be coming to PlayStation 4, Xbox One, and Steam worldwide on February 24, 2019. # # # ABOUT THE INTRODUCTION The Elden Ring is a story-driven fantasy action RPG which enables you to enjoy the most exciting action fantasy novel atmosphere. With a large open world, variety of situations, and dense dungeons, the Elden Ring also features multiplayer which enables you to connect with other people and carry out mutual challenges together. With multiple characters, a vast world with various situations, and a three-dimensional world where battles become intense, your imagination can play a much larger role. # # # GAME SPECS In addition to the basic battle mode, The Elden Ring also features the following aspects. • Battle Mode - From thrilling to exciting, it is the action RPG in which you can enjoy battles against huge bosses that appear from the dungeons. • World Map With an open world of about 600 km², you can travel freely and visit places such as towns, castles, deserts, and temples. • Practice & Assessment Mode As you progress through the game, you can test your strength by practicing in the mode to increase the level of your characters and acquire valuable items. With the ability to experience the sensation of mounting monsters, you can challenge other characters in the game. • Exploration Mode Get involved in the realistic fantasy story of going through a series of adventures and learning new things, while also spending time and seeing new places. Ranging from open fields to dungeons, there are a number of places, which you can explore and challenge your friends. • Multiplayer It is the online action RPG that can be played with other players, enabling you to share thoughts and experience the adventure together. The multiplayer aspect also supports a unique asynchronous online element. # # # ABOUT THE BIG HERO 6 COMPANY The Big Hero 6 Company is the leading entertainment company in the creation, development, and operation of entertainment content that is recognized internationally. In 2012, The Big Hero 6 Company received the "Operational Excellence for Interactive Entertainment" award from the Japanese government, and many of its titles also won awards in the industry. Today, the company continues to develop and operate a wide range of well

Welcome back!

Now you can enjoy STRIFE™ at home!

Nexon will be releasing a lot of additional content over the next five weeks...the overall package will include armor, weapons, housing, a café, a Great Tree, dozens of new quests, weekend and holiday events, a sci-fi story, a story about xenophobia and individuals, and even more stories. STRIFE falls into the same genre as Ragnarok Online.,Hack, Lineage, and many other MMORPGs, so now you can play STRIFE right from the comfort of your home!

With this announcement, STRIFE will no longer require a sustained connection to the internet. You can play, chat, and send messages while only paying for the game once. This changes everything.

In addition to these changes, STRIFE has been optimized to improve the state of the art in MP games that use graphics with extremely high resolution. Gameplay has also been tightened and balanced to give all players the best experience.

Play the competitive mobile version of Glory to your heart's content! Winner will be declared from the first through the 10th place. Entry numbers will be provided through OP Game Link on PlayStation 4. Click here to read the interview with Lead Game Designer Yoichi Hashimoto.

month of May has been packed with announcements and developments. This has been the month of the Bitcoin Cash community re-organized. There have been discussions about the history of Bitcoin and more importantly Bitcoin cash's history, the gathering of members of the Sons of Satoshi of Human Race and other premier organizations, the increase in hashrate and, of course, the big daddy of the month- Bitcoin Cash ABC. Bitcoin has first-er advantage, but Bitcoin Cash can beat it at its own game. Bitcoin Cash has the future and the leaders of the Bitcoin Cash community have the best interest of the whole community at heart. They, consequently, are the best able to govern Bitcoin Cash. Not only do they have the best interest of the whole Bitcoin Cash community at heart, they just do what works. The public is not acquainted with all the happenings of the past months, and there some accomplishments that have gone overlooked. For example, the Bitcoin Summit 2018 conference was a wonderful success and on Saturday the 22nd of May the first Bitcoin Cash Cash conference was released which t a lot better than anticipated. The question that remains is whether the Bitcoin Cash repository is the best
