
ASTRONEER Update V1 0 15-CODEX

In Astroneers world, for every action there is an equal and opposite reaction. Thats why we are bringing a new feature to Astroneer: Area Trigger. This new action enables you to spawn an object (such as a block of stone) in space or on a planet. Because this feature has to be kept secret for the gameplay, we have [...] Customization in Astroneer allows for players to customize their looks, allowing for a personal touch to each player's character. Customization options can be unlocked in various ways, such as getting them by earning achievements, during Limited Time Events, or purchasing from the EXO Outfitters in-game shop. The official Monster Energy AMA Supercross Championship game is back! Live like a champion with the updated career mode. Take part in more activities through your agenda: from Monday until the race weekend you will complete challenges, find [] For those interested, this is an incredibly exciting time to be an Astroneer. The new mining API makes it so we can speed up your mining, while still retaining the attention to detail that makes it a very rewarding game. We are also introducing new control paradigms which allows the player to continue to seamlessly run both mining and survival, and keep the fun gameplay alive! We are excited to announce that Astroneer is officially coming to the Nintendo Switch! This is another great opportunity for Astroneer to grow, and a giant thanks is due to the folks at Nintendo for their dedication and support throughout this process. Controls for Nintendo Switch version will be ported from the PC version. This release is for console only. If you wish to play the game on PC, please download the PC version of the game (Buy here: Astroneer: PC).
